

Press Release:

Anders Bast & the Bast'ards

Is an energetic band. They play with humor, with outbursts of energy and ever changing dynamics. The melodies are a mixture of original compositions and standards. At the concert you will experience 4 musicians, who follow their instincts and impulses wherever that might take them. Therefore no two concerts will be alike.

The band is releasing their first album "Through Time & Space" in 2020

Bandleader Anders Bast has a master degree in music from New England Conservatory and RMC (Copenhagen Rhythmic Conservatory) 2006. He plays and has played with: MØ, Django Bates, Bob Moses, George Russell Bigband, Tivolis Bigband, Butch Lacy, Lars Jansson, MC Einar, Thomas Buttenschøn, Hugo Rasmussen and Ib Glindemann. Anders has released 3 records in his own name.

The band consists of experienced musicians, who all have projects and albums in their own names.

Line-up:

Anders Bast: Saxophone

Thor Madsen: Guitar

Tobias Dall Mikkelsen: Double Bass

Michael Dalgas: Drums and cymbals
